*Award-winning designs
in a beautiful community...
Reston, Virginia*

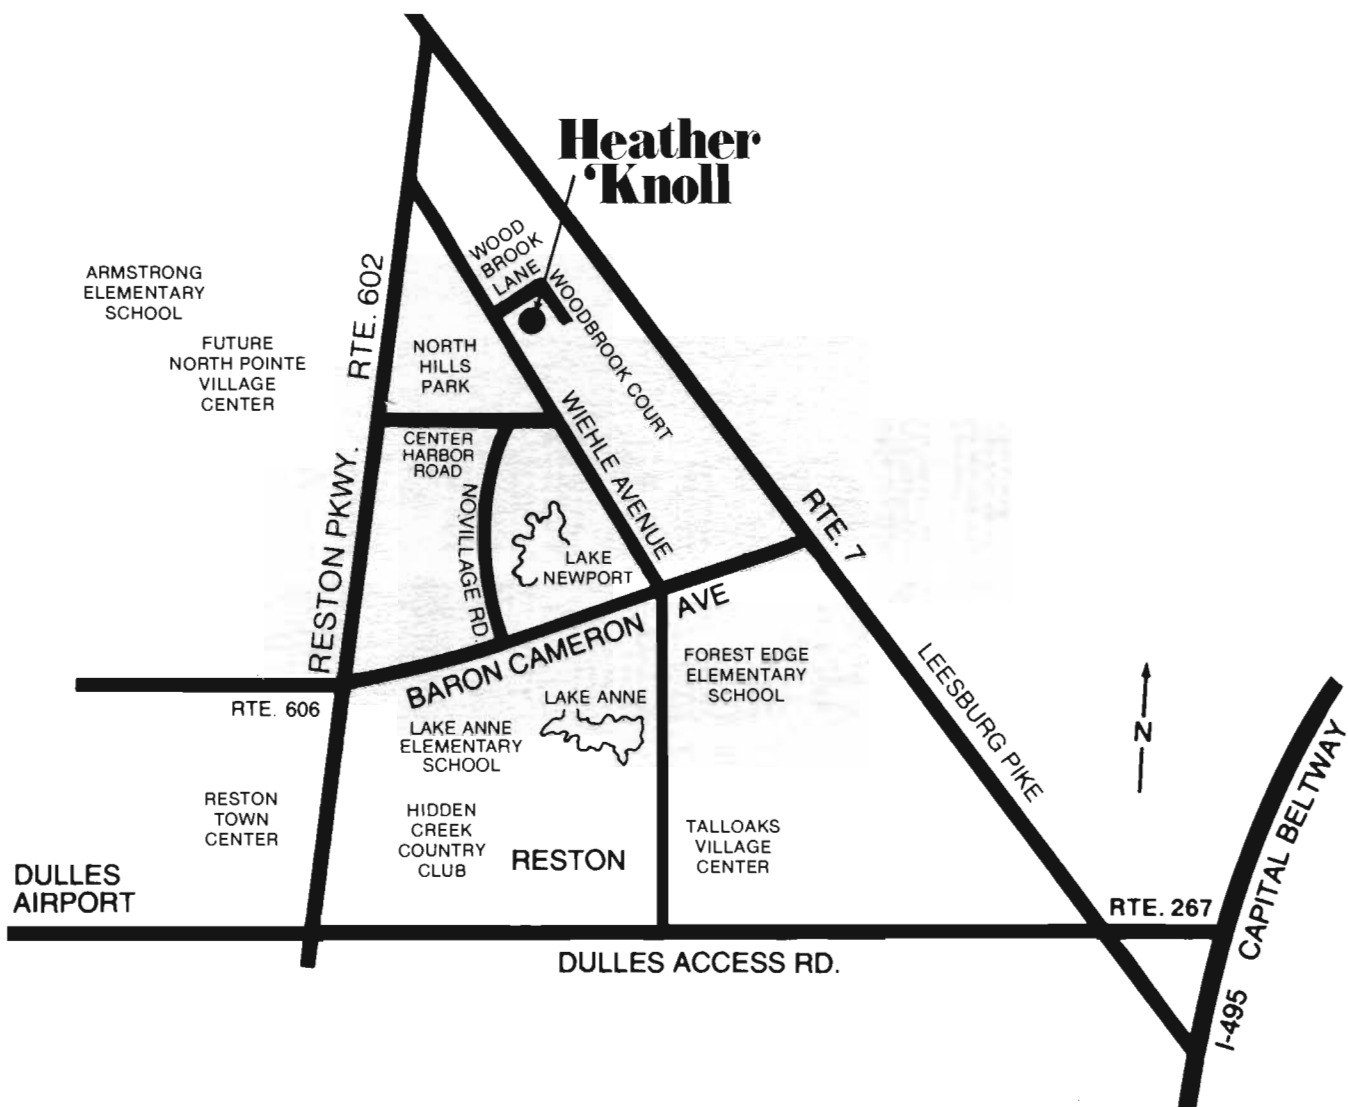

The William L. Berry Company has set new standards for innovative designs and award winning homes throughout the Metropolitan area. The firm has won 27 design awards and has received acclaim from national magazines, trade journals, builders and the public alike. Now this award winning tradition continues at Heather Knoll with main level garage townhomes.

Heather Knoll Luxury townhomes are masterfully detailed with up to three finished levels, featuring open vistas, generous room sizes, dramatic stairways, fireplaces, gourmet kitchens, formal dining rooms, huge master suites, dramatic window designs, vaulted ceilings, plus a convenient main level garage.

The distinctive exteriors of the homes include brick and cedar facades, meticulously styled in a traditional manner with fine trim and detailing. As with all Berry homes, these innovative townhome designs are copyrighted - you won't find them elsewhere.

Yours to enjoy at Heather Knoll.
